Wiki Site Code of Conduct

I hereby agree, that I have heard and understood the rules and regulations regarding the use of wikis in this classroom. Those rules are, and not limited to, the following guidelines

- I will NOT change or edit wikis that are not assigned directly to me.
- I will NOT attempt to change any password given to me
- I will NOT change or create any new usernames that the teacher has granted me
- I will NEVER use the help discussion area of in the wikisite
- I will NOT add anything to the wiki's discussion tab unless it has been assigned to me.
- All content added to the wiki MUST be pre-approved by the teacher before it is entered.
- The only media that I may post on the wiki MUST be specifically assigned or pre-approved by my teacher.
- I will NOT create a wiki of my own during school hours
- I will NOT link my page to another web site or wiki page without the approval of my teacher.
- I realize that everything I do on a WIKI can be traced back to my computer.
- I will NOT use the discussion tab on any classes' WIKI.
